

EXTERNAL JOB POSTING

SETUP SHOP TECHNICIAN

Reports To: Setup Shop Mgr **Dept.:** Setup Shop, Service

FLSA Status: Non-Exempt

Full-Time

JOB SUMMARY: The Setup Shop Technician will perform equipment setup (60hp and below) and assembly work on customer's and/or dealer agricultural, turf, and construction equipment.

DUTIES & RESPONSIBILITIES: The Setup Shop Technician is responsible for performing equipment setup and other miscellaneous duties to ensure proper setup of both customer and dealer equipment.

Specifically:

- Performs basic diagnostics and assembly of agricultural and turf equipment.
- Participates in Service Training programs as required.
- Maintains current knowledge of McFarlane vendor equipment and products.
- Maintains condition of inventory, tools and equipment.
- Follows all safety rules and regulations in performing work assignments.
- Completes all reports and forms required in conjunction with work assignments.
- Accounts for all time on a timecard and for all material used in performing assigned duties.
- Performs other duties as assigned.
- Regular attendance is an essential function of this position.

EDUCATION & EXPERIENCE and SKILLS & ABILITIES:

1. HS Diploma or equivalent; related technical degree, preferred.
2. Minimum of one (1) year experience as a setup technician, preferred.
3. Ability to perform equipment setup and related required assembly, using special tools and equipment.
4. Proficient knowledge of mechanical, electrical, and hydraulic systems used in the setup of agricultural and turf equipment.
5. Current Driver's License with clean driving record.
6. Demonstrate accountability for all safety procedures.
7. Ability to perform all operations within acceptable quality and time standards.
8. Ability to recognize quality expected and be able to reproduce it.
9. Ability to multi-task in a fast-paced environment.
10. Ability to solve practical problems and deal with a variety of changing situations.

SAFETY REQUIREMENTS: While performing the duties of this job, the team member is regularly required to talk and hear. This position is very active and requires standing for extended periods of time, walking, bending, kneeling, stooping, crouching, lifting, twisting, pushing, reaching and grasping; close vision and distance vision used. The team member must frequently pull/lift/move/carry up to 75 lbs. Must wear proper PPE while in the service/ setup shops. The physical demands described here are representative of those that must be met by a team member to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Compensation based upon experience. Full-time team members are eligible to receive a competitive benefits package which includes group health, dental, vision, life and disability insurances, 401k with Match, Paid Time Off, EAP, company events, generous retail service center discount and more.
